

# AROUND THE CIRCLE

Words & Music by Joe LaMay

G D G  
Sing me a song from the mountains  
C Em Am D  
Sing me a song from the sea  
C G Em  
Sing me the songs of the people  
A D D7  
In this land that was made for you and me  
G D G  
There are songs older than this country  
C Em Am D  
Some that were written yesterday  
C G Em  
Songs that we learned from our heroes  
A D D7  
And songs that we find along the way  
G D G  
Play your guitar and ukulele  
C Em Am D  
Let's hear that five string banjo ring  
C G Em  
And lift our voices all together  
A D G  
Around the circle we are the Golden Link

*Sing me a song from the mountains  
Sing me a song from the sea  
Sing me the songs of the people  
In this land that was made for you and me  
There are the songs that our daddies taught us  
Some that we heard on mama's knee  
Songs that we sang in the chorus  
With our friends in perfect harmony  
Bring along your dulcimer and fiddle  
Let's make the old time music ring  
And sing the songs of the ages  
Around the circle we are the Golden Link*

*Sing me a song from the mountains  
Sing me a song from the sea  
Sing me the songs of the people  
In this land that was made for you and me  
There are songs by Bobby, Pete, and Woody  
And some by Jean and Joni too  
Songs by our friends around the circle  
Like this song I'm singing just for you  
There are songs that touch the hearts of lovers  
There are songs everyone can sing  
And songs that ring the bells of freedom  
Around the circle we are the Golden Link  
Come join the circle we are the Golden Link*
