When I'm with You

Words & Music by Joe LaMay

F Fm C
Friends like you - they don't come easy
F Fm C
Too many times I've been let down
F Fm C
But you don't have to try to please me
D7 G
'Cause I'm so free when you're around

F G C
I like the way you say you love me
F G C
And let me know what's on your mind
F G C Am
When I'm with you there is no other quite so true
F G
It's gonna last a long, long time

And I don't ever have to worry
When I'm looking in your eyes
We've lots of time - there is no hurry
Let's take it one step at a time

Chorus

We're moving in the same direction
That was so clear right from the start
The way you're showing me affection
I cannot help but lose my heart

Chorus

I'm wonderin' 'bout these thoughts I've told you
And hoping they'll be yours in time
Fore in my dreams when I hold you
I feel your heart beat close to mine

Chorus
